DECLARATION REGARDING MAY 3, 2004 AMENDMENTS

I, Kendyl A. Roman, hereby declare that the amendatory material incorporated in the May 3, 2004 amendments consists of the same material that was incorporated by reference. No new matter was added. These materials were originally included in the specification and drawings of patent application 09/312,922. Specifically, Figures 11 through 15 contain the same matter that was in the respective figures of the 09/312,922 application. The paragraphs added to the specification were taken from the specification of the 09/312,922. The amendatory material was updated with new reference numbers.
